Basic tips for a more successful ASP trip:

- Be proactive about planning with your group & leaders
- Make sure all participants review ASP requirements
- Schedule meetings to promote bonding within the group

Groups will realize greater benefit by meeting more frequently than what is suggested here to encourage bonding & team building within the group.

ASP Cancellation Policy: The number of participants in your group may be increased, as availability permits, or reduced, but not without a confirmation from the Volunteer Department. If your group decreases in size, the balance of fees paid for dropped members is **non-refundable and non-transferable to the remaining trip balance unless for reasons of illness, accident, or unforeseen emergency.** The balance of fees paid for canceled spaces will also not be refunded and will not be applied to a future trip. This is because expenses incurred by ASP do not change should you have need to cancel your planned trip. For questions about this policy, please call the Volunteer Department at 1 (800) 289-4254 or (423) 854-4434.
